CEMETERY RULES

1. The installation of flower beds, vases, monuments, and markers must receive prior approval from the Springfield Township Cemetery Sexton.
2. Plantings must be in line with markers; planting is at your own risk.
3. Trees, bushes, and shrubs are not permitted to be planted around monuments.
4. Fences are not permitted.
5. Ornamental stones around monuments or on top of grave sites are not permitted.
6. Spading grass over a grave site or planting anything other than grass at a grave site is not permitted.
7. **Sec. 17-K** - All cemetery decorations should be placed on the concrete strips, not in the grass.

CEMETERY ATTENDANTS:

- Will place black top soil and grass seed on new grave sites.
- Will remove and dispose of decorations and potted plants when in unsatisfactory condition.
- Will remove all existing plantings and decorations by April 1 if not yet done so.
