

**SPRINGFIELD TOWNSHIP TRUSTEES  
LUCAS COUNTY, OHIO**

**RESOLUTION NO. 18-035**

**Determine to proceed with certain YMCA Greater Toledo special energy improvement projects by way of special assessments in accordance with Chapters 1710 and 727 of Ohio Revised Code.**

The Board of Trustees of Springfield Township, Lucas County, Ohio, met in regular session on December 17, 2018 at 7617 Angola Road, Holland, Ohio, with the following members present:

Robert Bethel, Andrew Glenn, and Tom Anderson, Jr.

Robert Bethel moved the adoption of the following Resolution:

**SUMMARY & BACKGROUND:**

The City of Toledo, City of Oregon, City of Maumee, City of Northwood, Township of Monclova, Township of Springfield, Township of Swanton, Township of Sylvania and the Toledo-Lucas County Port Authority (“Port Authority”) have partnered to create an Energy Special Improvement District (“District”) under Ohio Revised Code Chapter 1710 and a non-profit corporation, known as the Northwest Ohio Advanced Energy Improvement District (“Corporation”), to govern the District. Property owners within the District are permitted to make certain “energy efficiency improvements” to their properties, which constitute a “special energy improvement project”, and pay for the cost of the special energy improvement project by way of special assessments in accordance with the process set out in Chapters 727 and 1710 of the Ohio Revised Code. Revised Code Section 1710.01(G) provides that special energy improvement projects (including energy efficiency improvements) constitute public improvements and are therefore subject to special assessments.

The Young Men’s Christian Association of Greater Toledo, LLC, (the “Petitioner”) is the owner of 100% of the property described on **Exhibit A** attached hereto (the “Properties”). The Petitioner has executed an Energy Project Agreement (the “Agreement”) with the Northwest Ohio Advanced Energy Improvement District. A copy of the Agreement is attached to the Petition as **Exhibit C**.

Pursuant to the Agreement, and upon Application to the Northwest Ohio Advanced Energy Improvement District for membership and financing of special energy improvement projects to the properties, the Port Authority, Corporation, and Petitioner have caused an energy audit to the property to be completed.

The energy audit has identified energy conservation measures, all of which qualify as energy efficiency improvements as defined in Revised Code Section 1710.01(K), which the Petitioner has determined to proceed with implementation, and to pay by way of special assessments.

The Petitioner has submitted to this Board a petition ("Petition") seeking (i) the addition of certain of its property to the District and (ii) approval of an amendment to the District's comprehensive plan for special energy improvement projects to include Project and requesting that those Project be undertaken by the District and that the costs thereof be specially assessed against the properties of the Petitioner specially benefited thereby.

A complete list and description of the Project is on file with the Board of Trustees and is attached as **Exhibit B** to this Resolution. Exhibit B provides the following information for the Project:

1. Identification of the parcel numbers and name of the property/building to be improved;
2. A description of the nature of the special energy improvement project for the particular parcel;
3. The estimated amount of the special assessment to be levied against each parcel of property and the number of years the special assessment will be collected (if not paid in cash within 30 days after the passage of the assessing resolution as provided by law).

The total dollar cost of the Project, subject to capitalized interest on the Port Authority's revenue bonds, reserve fund for the Port Authority's bonds, and costs of issuance of the Port Authority's revenue bonds (collectively, the "Project"), is estimated to be Four Hundred Thousand Nine Hundred Fifteen Dollars and Twenty-Nine Cents (\$400,915.29). Each semi-annual payment represents the payment of a portion of the principal of and interest on the Port Authority's revenue bonds and the scheduled amounts payable as the Port Authority program administration fee, and the Trustee fee due with respect to each semi-annual payment. The County Fiscal Officer of Lucas County, Ohio may impose a special assessment collection fee, which if imposed, will be added by the County Fiscal Officer of Lucas County, Ohio to each semi-annual assessment payment.

The Port Authority and Corporation are funding the cost of the Project through the issuance of bonds. Ultimately, the bonds will be repaid over time from the amounts the Petitioner pays as special assessments. The Petitioner in turn, is expected to be able to pay the special assessments from the energy savings estimated to be achieved as a result of the Project.

The annual special assessments for the Project are to be paid in semi-annual payments over nineteen (19) years. The plans and specifications for the Project are on file with the Clerk of the Board. The Petitioner's petition also waives all further notices, hearings, claims for damages, rights to appeal and other rights of property owners under the law, including but not limited to those specified in the Ohio Constitution, Chapter 727 of the Revised Code. The Petitioner consents to the immediate imposition of the special assessments upon the various properties specially benefited by Special Energy Improvement Projects.

This special assessment process is a voluntary process with one hundred percent of the cost of the special energy improvement projects being assigned to the specially benefited properties. This Board of Trustees has adopted Resolution No. 18-\_\_\_, a Resolution of Necessity, to accept and approve the petition from the Petitioner to begin the special assessment process. When the Project is complete and the final costs known, an assessing resolution directing that the necessary special assessments be made against the benefited properties will be presented to the Board.

NOW, THEREFORE, BE IT RESOLVED by the Board of Trustees of the Township of Springfield:

SECTION 1. That this Board hereby determines to proceed with the Project as described in the Petitioner's Petition and in the Resolution of Necessity, including the Exhibit B thereto, and in accordance with the plans, specifications, profiles and estimates of costs previously approved and now on file with the Clerk.

SECTION 2. That the Corporation shall cause the Project to be constructed under such contracts as it determines to be appropriate under law and in accordance with the plans and specifications approved by this Board.

SECTION 3. That the total cost of the Project to be assessed in accordance with the Resolution of Necessity shall be assessed on the properties in the manner and pursuant to the payment schedule set forth in the Resolution of Necessity, and the estimated special assessments prepared and filed with the Board of Trustees are adopted.

SECTION 4. That the Township Administrator is hereby directed to deliver a certified copy of this Resolution to the County Auditor within fifteen (15) days after its passage, but in no event later than the second Monday in September, 2019 (or by such other date as may be specified in the Ohio Revised Code or acceptable to the County Auditor of Lucas County, Ohio for the certification of assessments in connection with the preparation of the general tax list for tax year 2019)

SECTION 5. That this Board finds and determines that all formal actions of this Board and any of its Committees concerning and relating to the passage of this Resolution were taken, and that all deliberations of this Board or any of its Committees that resulted in such formal action were held in meetings open to the public, in compliance with all legal requirements including those of Section 121.22 of the Ohio Revised Code.

## **ENERGY PROJECT AGREEMENT**

**WHEREAS**, The Young Men's Christian Association of Greater Toledo, an Ohio non-profit corporation with an address of 1500 N. Superior Street, Toledo, Ohio 43604 (known herein as "Borrower"), has made application to the Northwest Ohio Advanced Energy Improvement District ("the District") for financing a certain special energy improvement project ("Energy Project"), more particularly described in Borrower's application ("Application"); and

**WHEREAS**, the Energy Project has an overall estimated cost of Three Hundred Thirty-Eight Thousand Four Hundred Seventeen Dollars (\$338,417.00) (excluding interest and other transactional and carrying costs, all of which shall be included in the Special Assessments described below) as shown in Exhibit B which the District has agreed to finance; and

**WHEREAS**, Borrower requests that the Energy Project be financed through special assessments ("Special Assessments") upon the real property upon which the Energy Project will be constructed and exist ("the Property") as allowed under Ohio Revised Code Chapters 1710 and 727; and

**WHEREAS**, the District agrees to undertake the financing of the Energy Project through Special Assessments upon the condition that the Borrower agrees to impose the Special Assessments upon the Property and provide full cooperation with and assistance to the District and other entities and institutions involved in the process of approving and imposing the Special Assessments; and

**WHEREAS**, in order to induce the District to provide financing for the Energy Project, the Borrower agrees to provide all such cooperation and assistance necessary for the imposition of the Special Assessments upon the Property.

**NOW THEREFORE**, in consideration of the mutual promises set forth herein, effective the \_\_\_ day of December 2018, the Borrower and the District do hereby enter into this Energy Project Agreement ("Agreement") as follows:

**1. Consent to Special Assessments.** The Borrower consents to the imposition of Special Assessments upon the Property, which is commonly referred to as 2100 Holland-Sylvania Road, Holland, OH 43528 which consists of the following county auditor parcel(s): 65-24777. A legal description of the Property is attached hereto as Exhibit A and incorporated herein by reference. In the event there are additional or other parcels of property that are not listed but which are benefitted by the Energy Project, the Borrower consents to the imposition of the Special Assessments with respect to those parcels as well. The Borrower acknowledges that the Special Assessments will constitute a lien upon the Property and may be enforced and collected in accordance with law, including the provisions of Chapter 727 of the Ohio Revised Code. The Special Assessments shall be in an amount sufficient to finance all of the cost of the Energy Project, as determined by and in the sole discretion of the District, including but not limited to the cost of: labor, materials, equipment, engineering, design, audits, interest, carrying costs, taxes, filing fees, recording charges and all other costs incident to the Energy Project. Borrower

acknowledges that the estimated cost of the Energy Project is only an estimate and that the actual cost of the Energy Project may be more or less than the estimate and that such estimate does not limit the amount of the Special Assessments; provided, however, that the sum total of all Special Assessments will not exceed the amount listed on Exhibit B. The Borrower agrees that one hundred percent (100%) of the Special Assessments shall be imposed upon the Property and that the Property is being specially benefitted to the full extent of the Special Assessments. The Special Assessments may continue for such period of time as allowed by law and shall continue for the full period of time required to pay the District for all costs, including financing costs, for the Energy Project.

2. **Agreement to Cooperate.** Borrower agrees to provide full and timely cooperation to the District and the agencies, entities and institutions involved in the special assessment process, including but not limited to: the District, the Toledo-Lucas County Port Authority, the Township of Springfield, the Lucas County Auditor, and the Lucas County Treasurer, so that the Special Assessments are imposed upon the Property and enforceable against the Property. The Borrower agrees to apply to the District for approval of its Energy Project and for admission as a member of the District. The Borrower shall cause a representative to appear at any necessary hearings or legal proceedings involving the Special Assessments and cooperate in such hearings or legal proceedings so that the Special Assessments are approved and become binding upon the Property. The Borrower agrees to provide on-going cooperation with the District and all other agencies, entities and institutions involved in the special assessment process during the entire period of time any of the financing for the Energy Project remains outstanding. In the event the Property is located in a political subdivision that is not, as of the date of this Agreement, within the jurisdiction of the District, the Borrower will cooperate with the District in seeking to expand that jurisdiction of the District to include the political subdivision in which the Property is located, including petitioning for such expansion.

3. **Execution of Documents; Appointment of Agent.** Upon the request of the District, the Borrower shall execute all applications, petitions for special assessments, waivers, acknowledgements, and other instruments, documents and papers ("Documents") necessary or helpful to impose the Special Assessments upon the Property and to acknowledge the validity and binding nature of such Special Assessments. To facilitate that process, the Borrower hereby irrevocably appoints the District's Chairperson, or such other individual as the District may name from time to time, as the Borrower's attorney-in-fact and agent with full and complete authority to execute all such Documents, including but not limited to the petition for Special Assessments, on behalf of the Borrower and to bind the Borrower and the Property to the Special Assessments, including making all waivers of hearings and notices concerning the Special Assessments.

Without limiting the generality of the foregoing grant of authority, the Borrower grants the District full irrevocable power and authority in the place of Borrower and in the name of Borrower or in District's own name, for the purpose of carrying out the terms of this Agreement, to perform, at any time and from time to time, each agreement contained in this Agreement that is on Borrower's part to be complied with, and to take any and all actions and to execute and deliver any and all Documents which may be necessary or desirable to give District the full benefit of this Agreement, in each case as District may from time to time deem advisable, Borrower hereby agreeing that District shall owe no duty whatever to Borrower to perform any

such agreement, to take any such action, or to execute or deliver any such Document or, having done so any one or more times, to thereafter continue doing so. Without limiting the generality of the foregoing, Borrower hereby irrevocably authorizes District, at any time and from time to time, to (a) fill in any blank space contained in this Agreement or another Document, (b) correct patent errors, to complete and correct the description of the Property, and to complete the date herein or therein, (c) file and sign, on Borrower's behalf, at Borrower's expense and without Borrower's signature, such petitions for special assessments, waivers, affidavits, assignments, financing statements, endorsements of specific items of collateral, mortgages, powers of attorney, security agreements, or other Documents as District may from time to time deem advisable for the better evidencing, perfection, protection, or validation of, or realization of the benefits of this Agreement, and (d) to the extent District filed any such petitions for special assessments, waivers, affidavits, assignments, financing statements, endorsements of specific items of collateral, mortgages, powers of attorney, security agreements, or other Documents prior to the date of this Agreement, all such actions and Documents are hereby ratified by Borrower.

**4. Waiver of Certain Rights.** The Borrower acknowledges that the process for the imposition of special assessments provides the owner of property subject to such special assessments with certain rights, including rights to: receive notices of proceedings; object to the imposition of the special assessments; claim damages; participate in hearings; take appeals from proceedings imposing special assessments; participate in and prosecute court proceedings, as well as other rights under law, including but not limited to those provided for or specified in the United States Constitution, the Ohio Constitution, Chapter 727 of the Ohio Revised Code, the Springfield Township Charter and the Springfield Township Municipal Code (collectively, "Assessment Rights"). The Borrower hereby irrevocably waives all Assessment Rights and consents to the imposition of the Special Assessments immediately or at such time as the District determines to be appropriate, and the Borrower expressly requests the entities involved with the special assessment process to promptly proceed with the imposition of the Special Assessment upon the Property. The Borrower further waives: any and all questions as to the constitutionality of the law under which the Energy Project will be constructed and the Special Assessments imposed upon the Property; the jurisdiction of the Council acting thereunder; and the right to file a claim for damages as provided in Revised Code section 727.18 and Springfield Township Charter.

**6.
